Proposed

Part

(b)(2)

1. At the opening of the second round of discussion, the CHAIRMAN invited the German, Japanese and United Kingdom Delegations, who had wished to give further study to the Italian proposal, to state their Governments' views.
2. The JAPANESE Delegate said that his authorities could accept the suggested new sub-item (b)(2).
3. The UNITED KINGDOM Delegate stated that it would be impossible, on administrative grounds, for his authorities to accept this proposal.
4. The GERMAN Delegate stated that, reluctantly, he would accept the new sub-item on an ad referendum basis.
5. The BELGIAN Delegate undertook to recommend this sub-item to his authorities.
6. The CHAIRMAN having asked the United Kingdom Delegation to reconsider the matter, the COMMITTEE agreed to resume the discussion on the 16th December.
